We
are

BONVILLE FOODS PVT. LTD. is one of the leading Peanut Butter manufacturing company in India. A key part of the larger group of companies belonging to its three key directors; Mr. Amit Patel, Dr. Pankaj Vadanagara, Mr. Pravin Vadanagara. BONVILLE is located in Morbi region of state of Gujarat, India.

Founded with a motto of producing a health manufacturing unit, BONVILLE today is one of the pioneering producers of peanut butter- a food with immense health benefits. BONVILLE has a global presence, it has expanded its footprints across India, Australia, UAE and certain African and European countries. We at BONVILLE work with 100-125 employees and majority are women, recruited from adjacent rural areas. We look forward to women empowerment and gender impartiality.

Vision- Focus and Achieve

To be the leading producer of healthy, nutrient and protein rich and tasty peanut butter in the World.

Benefits of Peanut Butter

“Health is wealth” is not only perceived but also strongly believed by us. Considering the significance and vitalities of health and after extensive consumer survey, our directors have come up with a product :

Peanut Butter, which encompasses some very important health benefits such as:

www.bonvillefoods.com

Aids Weight Loss

Eating small quantities at a gap of every three hours has proven to prevent weight gain. Apply Peanut butter to your sandwiches to complement your food intake between your meals.

Packed with Nutrients

Not only is Peanut butter tasty and filling, it is also packed with nutrients which will benefit your body in manifold ways.

Energy Booster

Experiencing an energy boost everyday as you resort to a lip smacking Peanut butter contained snack or food.

Heart Friendly

Peanut butter is heart friendly and is considered to be a good spread for any kind of a light snack.

Fiber Rich

Fibers are essential for a good digestive system and Peanut butter could provide this rich resource to foster easy digestion.

Source of Protein

Receive a daily dose of proteins as you have some Peanut butter during the day.

Healthy Fat

Fat contained in Peanut Butter is a healthy source of Fat which will lead to the well being of your body.
